Written by Johari Mitchell

## Verse 1:

Why is the hour of worship the most divided hour  
that we have ever seen?  
Depending on what our tribe's got  
We miss the blind spot—  
The glory in unity...  
The God who made every flower, every fish, every tree  
Invented diversity  
He's given all of us power, beauty and struggles  
And packaged us differently

## Pre-Chorus:

But what would the savior say to a bride unified?  
A people lifting their voice say:

## Chorus:

We refuse to be divided  
'Cause divided we can't stand  
We were born to walk united,  
Shoulder-to-shoulder, hand in hand  
Jesus said "Make them one" and we understand!  
We refuse to be divided...  
We are divided no more...  
Divided no more...

Verse 2:

Why is reconciliation such a hard thing? Not everyone sings its praise  
When God could heal the land because of us—  
If we would learn to trust the foundation repentance lays

Pre-Chorus:

But what would the savior say to a bride unified?  
A people lifting their voice say:

Chorus:

We refuse to be divided  
'Cause divided we can't stand  
We were born to walk united,  
Shoulder-to-shoulder, hand in hand  
Jesus said "Make them one" and we understand!  
We refuse to be divided...  
We are divided no more...  
Divided no more...

Vamp:

(Part 1)

Jesus Christ commissioned us  
The Holy Spirit positioned us  
To receive a commanded blessing  
When we come as one before the King

(Layer:)

We refuse to be divided!

(Layer 2:)

Make us one, Lord...
